festivity. Time flies at a supersonic speed. Time gone back and winter about to come. It is the most appropriate time to start considering getting your flu injections. Keep all safe and healthy during the coming winter months.

**Corinne Quiza-Banguis**  
**Diversional Therapist**

## DT's Message

The change of seasons causes great enthusiasm. We are blessed to experience four seasons, sometimes all four seasons in one day! The pleasing colours and tranquillity that Autumn brings is concurrent with Easter
